Dear Vincent & Friends,

Experience a Passport to Paradise in North Sulawesi

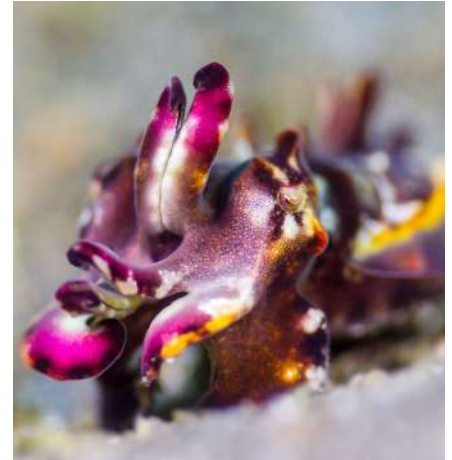

Passport to Paradise is a unique diving experience which allows you to explore three distinct diving destinations in one trip. You'll have just over 150 dive sites to choose from and with seamless boat diving transfers from resort to resort there's no gear packing, no wasted transfer days, just relax, enjoy and dive, dive, dive.

We have created a sample package which is based on providing you with the opportunity to experience the diversity of North Sulawesi. This package allows you to enjoy our friendly-luxury service and have a fun, flexible, and relaxing stay.

Day 1 | Arrival Day

Our staff will welcome you at Manado International Airport and escort to Lembeh Resort Jetty where our boat will standby to bring you to the resort. Upon arrival at Lembeh Resort you'll be greeted and brought to your room where your welcome drinks are waiting for you. Once you check in to the dive center you will have a quick briefing, then dinner is served at 7pm. A Coral Presentation by Ocean Gardener's founder, Vincent Chalias, will be held on the first evening at the resort.

Day 2 | First Day of Diving

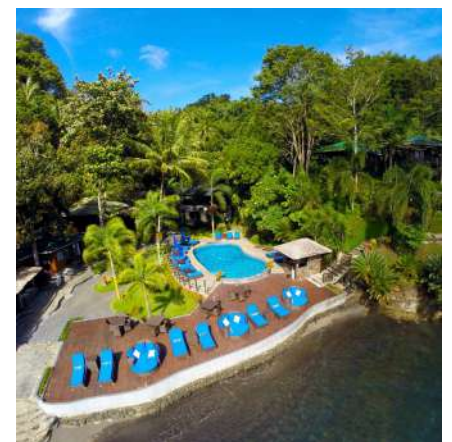

Enjoy 2 muck dives in the Lembeh Strait with surface interval at the resort's pool deck with snacks, tea and coffee. During the dives, you will have the chance to see some of the rarest critters on the planet including hairy frogfish, flamboyant cuttlefish and blue ring octopus. We return to the resort for lunch.

Alternatively, make a 3 dive trip further afield, with lunch served on the boat. This is a great way to combine Lembeh Strait muck diving with reef diving. Optional afternoon, night, blackwater or bonfire dives are also available.

Day 3-4 | Diving Days

Enjoy another 2 morning muck dives with more of the weirdest critters on the planet including hairy Shrimp, Mimic Octopus - and the list goes on! Lunch is served in the restaurant at Lembeh Resort.

Day 5 | Lembeh to Bangka

This morning you'll make your first Passport to Paradise boat transfer from Lembeh Strait to Murex Bangka Resort. During the boat transfer you'll make 2 dives along the way on dive sites that are between the two resorts. Another Coral Presentation by Ocean Gardener's founder, Vincent Chalias, will be held on the first evening at Murex Bangka Resort.

Day 6 | First Day Diving Bangka

Boats depart at 8.15 AM and we'll make two reef dives around Bangka Island. One of these dives will include visiting our coral nurseries in Bangka. Lunch is served at the resort. Options for afternoon, night and blackwater dives are available. Alternatively you can choose to simply relax in a hammock and enjoy the white sand beach. Or you may prefer kayaking through the mangroves which is extremely peaceful.

Day 7-8 | Diving Bangka

We plan 2 morning dives and return to the resort for lunch. Options for afternoon, night and blackwater dives are available. Or you can take our popular guided trek to our local village of Lihunu which showcases the local way of life and cultural aspects of North Sulawesi.

(The Lihunu tour is in addition to your package however kayaking is included)

Day 9 | Bangka to Manado

Your second Passport to Paradise boat transfer from Murex Bangka to Murex Manado Resort. Once again you'll make 2 dives at remote dive sites along the way.

Day 10 | Diving Manado

Coffee is available starting from 6:30 AM and breakfast is served from 7 AM. To give everyone plenty of time to get ready, we suggest the boat departs at 8.15 AM for 2 dives in the Bunaken National Park. Enjoy great walls and our resident sea turtles. Light refreshments are served on the boat in between dives and we return to the resort for lunch. Optional afternoon, night and blackwater dives are available. Dinner is served at 7 PM.

Day 11-12 | Diving Days

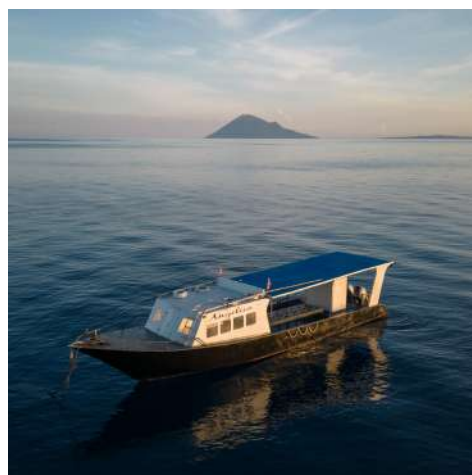

The boat departs at 8.15 AM for 2 dives at Bunaken National Park. Enjoy another set of breathtaking wall dives. We return to the resort for lunch. The afternoon is 'free time' so you can chose to relax at the pool, take a city tour of Manado, or opt for one of our other tours and activities (see pages 8 and 9).

Optional afternoon, night and blackwater dives are available.

Day 13 | Farewell

You may want to complete your stay with a relaxing full body massage before you pack to go home. According to your flight time, we'll transfer you back to the airport and wish you a fond farewell and safe travels!
